Can you convince Karl these are not necessary for the release of the EPA budget next week?
More appropriate for budget hearing later in March.

REMINDER Fact Sheets due COB today. These fact sheet should be on anything that is **major and currently in the press**. Current issues in the press are what the Administrator typically gets questions on during the Budget Release.

Karl has asked to include the following:

Ex. 7(a)

West Lake Landfill/Bridgeton Landfill (MO)

Lead cleanups in SE and SW MO (MO)

Ex. 7(a)

Sunflower Army Ammo Plant RCRA cleanup (KS)

111D (KS)

Nutrient Reduction/Iowa Plan/Hypoxia Task Force (IA)

Public Water Supply Systems Deposit of Byproducts (IA/MO)

Good Morning,

I spoke with Jim Blizzard , Senior Policy Advisor in OCIR to get clarification on the request for fact sheets.

Jim stated that what is currently due are fact sheets for the Budget Release that will take place on March 4.

These fact sheet should be on anything that is major and currently in the press. Current issues in the press are what the Administrator typically gets questions on during the Budget Release.

If you have issues, sites, projects, etc., that fit this request, please email your completed fact sheets to me by **COB February 24**.

Please begin to prepare for your member specific fact sheets which will be upcoming after the budget release.

I will provide you specific dates for those fact sheets soon.

If you have any additional questions or concerns, please let me know.

Thanks.
